

CITY OF VAUGHAN

EXTRACT FROM COUNCIL MEETING MINUTES OF FEBRUARY 25, 2008

Item 1, CW(PH) Report No. 11 – Page 2

Total Area:	8.099 ha
Residential Lots/Blocks:	4.529 ha
Elementary School (Block 87):	1.705 ha
Stormwater Pond (Block 90):	0.228 ha
Buffer Block (Block 88):	0.097 ha
Streets, Road Widening & Reserves:	1.54 ha

Background - Analysis and Options

The subject lands are located on the north side of Major Mackenzie Drive, east of Pine Valley Drive, municipally known as 4100 Major Mackenzie Drive and 4150 Major Mackenzie Drive, within Planning Block 40, City of Vaughan, as shown on Attachment #1.

The subject lands are designated "Low Density Residential" and "Elementary School" by OPA #600, and zoned A Agricultural Zone by By-law 1-88. The surrounding land uses are shown on Attachment #1.

Preliminary Review

Following a preliminary review of the applications, the Development Planning Department has identified the following matters to be reviewed in greater detail:

- i) the applications will be reviewed in the context of the City's Official Plan and the approved Block 40 South Block Plan (Attachment #3) with respect to conformity to the applicable policies and requirements;
- ii) the applications will be reviewed to ensure the appropriateness of the proposed zone categories and the related zone standards, as well as, the proposed lotting and road pattern for the subject lands within the context of the surrounding existing and planned and uses;
- iii) water and sanitary sewer capacity must be identified and allocated by Council, if approved; use of the Holding Symbol "(H)" may be required if servicing capacity is unavailable;
- iv) Phase I and Phase II Environmental Site Assessment Reports must be completed in accordance with the City's Policy and Procedures for Contaminated or Potentially Contaminated Sites, prior to final consideration of the applications;
- v) the Block Plan conditions for the Block 40 South Plan respecting the Regional infrastructure including wastewater and water system improvements, reconstruction of Major Mackenzie Drive and road widenings, and City infrastructure including sanitary, water and storm water management are to be identified, and a servicing phasing plan for the Block 40 south lands is to be established to the satisfaction of the City; and,
- vi) the final Block 40 South Block Plan and the required technical reports are to be revised and/or prepared and approved including the master environmental and servicing plan, noise report, transportation/traffic management report, heritage/archaeological report, monitoring plan, woodland and edge management report, restoration plan for the valley and stream lands, erosion study, urban design guidelines and architectural guidelines, to address outstanding issues, prior to final consideration of the applications.

Item 1, CW(PH) Report No. 11 – Page 3

Relationship to Vaughan Vision 2020

The applicability of these applications to the Vaughan Vision 2020 will be determined when the technical report is considered.

Regional Implications

The applications have been circulated to the Region of York for review and comment. Any issues will be addressed when the technical report is considered.

Conclusion

The above issues, but not limited to, will be considered in the technical review of the applications, together with comments from the public and Council expressed at the Public Hearing or in writing, and be addressed in a comprehensive report to a future Committee of the Whole meeting. In particular, the proposal will be reviewed in light of the applicable Official Plan policies, the Block 40 South Block Plan requirements, and compatibility with adjacent land uses.
