This complaint is a request for a legal ruling with regards to the election finances of Regional councillor Michael Di Biase. Specifically, it is requested that an investigation be completed into whether or not campaign donations have been used to pay non-campaign expenses.

The specifics are that in the 2010 financial expense claim, submitted by Regional Councillor Di Biase to the City of Vaughan clerk on March 24, 2011, accounts for the payment of \$54,938.31 and \$17,764.29 towards recount expenses claimed as part of the 2006 deficit.

The complaint is as follows:

Shortly following the 2006 election an audit was requested on the finances of Michael Di Biase. As a result of the audit, several charges were laid. These charges included (and they are summarized informally) failure to disclose donors and failure to properly account for campaign donations made to cover legal fees incurred by Di Biase with regards to bringing the recount request forward.

During the trial, Eric Gillespie, lawyer for Di Biase, argued that the recount was brought forward by Di Biase as a voter and not as a candidate. However, this then changes the nature of the expenses from campaign expenses to voter expenses. Voter expenses are not eligible as candidate expenses. The charges were dismissed based on this defence and on a second defence of exceeding the statutory limits for paying charges.

[13] The Defendant principally raises two (2) defences. The first defence proceeds on the basis that Mr. Di Biase's involvement in the post election re-count proceedings and litigation was as a voter and not as a candidate. As such, the regulatory provisions of the M. E. A. relating to the conduct of a candidate were not engaged by Mr. Di Biase. At its core the defence asserts that the regulatory provisions in the M.E.A. have no application to Mr. Di Biase in the post election re-count litigation proceedings.

[19] For reasons which I will now articulate, I have concluded that either of the defences advanced are sufficient to allow me to find the defendant, Michael Di Biase, not guilty of all seven (7) charges against him, specifically counts 3, 4, 5, 6, 7, 8, and 20 of the information. All charges against Mr. Di Biase are dismissed.

The total recount expenses claimed on the 2006 were \$75,000. Without the recount expenses, Di Biase would have had a surplus with regards his 2006 campaign.

However, having claimed the recount expenses were not campaign related expenses, but rather were voter expenses, these expenses were not subject to the MEA. The reasons for the dismissal of the charges were based both on this and the statutory time contraventions. In the 2010 financial statements, Di Biase now restates the recount expenses as campaign related expenses and furthermore now claims the recount expenses as a "previous campaign expenses deficit", reports moneys collected as a

candidate in the 2010 election to pay the 2006 campaign recount expenses and in doing so, contradicts that legal defence and reestablishes the expenses as campaign expenses.

The substance of this complaint is to investigate the true nature of the recount expenses, as these expenses have been claimed on 2006 as both voter and candidate expenses, claimed as voter expenses during the court trail returning to be claimed as candidate expenses on the 2010 filing, and 2010 candidate donations claimed to offset the expenses. The distinction being that voter expenses are not subject to MEA, and not eligible for payment through candidate campaign donations and candidate campaign expenses are.

In his 2010 return, Di Biase now claims the recount expenses and deficit were incurred as a candidate thereby claiming the opposite on his 2010 financial statements and reestablishing the expenses as campaign expenses.

The 2010 campaign filing specifically states:

- Deficit carried forward by the candidate from immediately preceding election if offices with respect to same jurisdiction, and
- Recovery of expenses as a result of the settlement of liabilities, from immediately preceding election
- Recount expenses, from immediately preceding election, paid by candidate, and
- Deficit carried forward by the candidate

The 2006 campaign deficit was reclaimed on the 2010 return, and the recount deficit remaining was paid out of the contributions from the 2010 donations and as such is subject to audit under the MEA as filed in the 2010 return. The amounts of \$54,938.31 and \$17,764.29 were both claimed on the 2010 return and applied to the surplus funds of the 2010 return and as such, these amounts are also subject to audit under the MEA, with regards to the claims made on the 2010 return.

The investigation requested is into the true nature of the recount expenses claimed on the 2010 return, as a candidate deficit carried forward from an immediately preceding election campaign, as election expenses and paid through the use of 2010 leciton campaign donations, when these expenses were clearly stated in the defence in the audit charges trials as being incurred as a voter and not as a candidate, making them ineligible as expenses for payment through the 2010 campaign donations.

An investigation is required into the true nature of the donation, given opposing claims made by Di Biase in his 2006 and 2010 financial returns and in his defence to the courts. Should the defence be accepted as the truth, then a request is made to conduct an investigation into the contravention of the MEA on the 2010 return of Di Biase for false claim of candidate expense deficit and use of campaign donations to pay non-

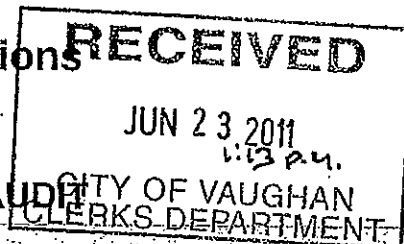

1.4

campaign costs, and appropriate charges be laid.

In the alternative, should the expenses be identified as campaign expenses, then the deficit carried forward and paid using 2010 donations and reported external amounts claimed against the campaign deficit on the 2010 return must be audited and contraventions of the act identified and charges laid accordingly. Should the expenses, truly identified as campaign expenses (as the 2010 return claims) there may be an issue of misleading the courts, in this case, however this may well fall outside of the purview of the MEA.

Jeffrey A. Abrams, City Clerk
City of Vaughan Civic Centre
2141 Major Mackenzie Drive
Vaughan, Ontario L6A 1T1

Dear Mr. Abrams:

**Re: Application for a Compliance Audit, 2010 Municipal Election,
Rosanna De Francesca, Candidate for Ward 3**

The purpose of this submission is to request a compliance audit regarding the campaign finances of Rosanna De Francesca, candidate for Ward 3 in the City of Vaughan (the "Candidate"), with respect to the Municipal Election on October 25th, 2010. I am making this application in my capacity as a qualified voter and resident in Vaughan, Ontario.

Following my extensive review of the filed Financial Statement of the Candidate, along with various other materials and documentary evidence, I believe on reasonable grounds that several provisions of the *Municipal Elections Act, 1996* (the "MEA"), have been contravened. As such, I make this application in furtherance of those findings, and for no other or improper purpose.

"Reasonable Grounds"

Subsections 81(1) and (2) of the MEA set out the procedure for making an application for a compliance audit of a candidate's election finances, and read, in part:

(1) An elector who is entitled to vote in an election and believes on reasonable grounds that a candidate has contravened a provision of this Act relating to election campaign finances may apply for a compliance audit of the candidate's election campaign finances.

(2) The application shall be made to the clerk of the municipality or the secretary of the local board for which the candidate was nominated for office, within 90 days after the later of the filing date, the candidate's last supplementary filing date, if any, or the end of the candidate's extension for filing granted under subsection 80 (6), if any; it shall be in writing and shall set out the reasons for the elector's belief.'

[Emphasis added.]

The phrase "reasonable grounds" has been judicially interpreted by the courts, as follows:

...[R]easonable grounds is not to be equated with proof beyond a reasonable doubt or a prima facie case. The appropriate standard of reasonable or credibly based probability envisions a practical, non-technical and common sense probability as to the existence of the facts and

inferences asserted.²
[Emphasis added.]

Further, as per the City Solicitor's previous advice and report to Vaughan Council³:

There is a relatively low threshold in terms of the information that an elector must provide in order to support a finding that there are reasonable grounds to believe that the candidate has not complied with the Act. Only in those circumstances where the elector provides either no reasons or reasons that are purely speculative, or it is patently obvious that the application is completely frivolous, vexatious, or otherwise devoid of merit should Council (delegated to the Compliance Committee) reject the application.
[Emphasis added.]

Audit Request of the Candidate

The attached application for a compliance audit is based upon the following documentary evidence and materials: audited and declared Financial Statements of the Candidate; campaign literature and other information of the Candidate and spouse; and independent and objective third party information including corporate searches, public records, photographs and supplier information.

The enclosures that follow this cover letter set out a detailed background and analysis which shall serve as my reasons on which I form my belief that the Candidate has contravened the MEA. It is my submission that a compliance audit is warranted in the circumstances in order to provide integrity, accountability and transparency to the democratic process, and to ensure that the voter is not disenfranchised.

Please feel free to contact me should you have any questions or concerns.

Regards,

Lucia Milani

PART II:
BACKGROUND AND ANALYSIS

Issues 1 and 2: Failure to Report 2010 Municipal Election "Meetings Hosted" Events

Summary of alleged apparent contraventions:

1. *The Municipal Election Act, 1996, S.O. 1996, C. 32 (the "MEA"), at section 67(1), defines campaign expenses as the "...costs incurred for goods or services by or on behalf of a person wholly or partly for use in his or her election campaign are expenses."*
2. *The MEA, and various prescribed forms, require candidates to report "meetings hosted" as campaign expenses, to be described as such within the campaign expense account. Furthermore, a candidate is required to treat these expenses as "subject to campaign expense limitation", for the purpose of abiding by the campaign expense limit requirements under the MEA.*

Exhibit 1, pages 1 and 2.

3. *As a candidate in the Municipal Election, Rosanna De Francesca advertised, promoted, and "hosted" at least two (2) "Meet & Greet" events at Tim Horton's and Colossus Shopping Centre in Vaughan, Ward 3, on April 18, 2010 ("Issue 1"), and May 2, 2010 ("Issue 2"), respectively, both from 9:00 a.m. to 12:00 p.m.*

Exhibits 3 to 5.

4. *Rosanna De Francesca's Financial Statements, and prescribed forms, reflect no campaign expense reporting for either of these two (2) "hosted" campaign events.*

Exhibit 1, page 2.

5. *The failure to report the expenses of these "meetings hosted" is in contravention of the MEA, including: sections 69(1)(a) to (f), which state the duties of a candidate; section 78, regarding financial reporting; and section 92, regarding the exceeding of the campaign limit for each of the two (2) events.*
6. *The source and basis of the apparent contraventions are the audited Financial Statement of Rosanna De Francesca and her literature and flyers, referenced above by the relevant Exhibits which are appended to this document.*
7. *Rosanna De Francesca held at least four (4) "meeting hosted"- type events during the 2010 Municipal Election campaign. Her Financial Statements report she held separate - and evidenced - "BBQ events", although no accounting of expenses are made of the other two (2) events.*

Exhibit 1, page 2.

8. According to the Financial Statements of Rosanna De Francesca, candidates exercise two options when reporting "meeting hosted" events: Option 1 is to identify and report the campaign expense in the "Other" category, with "full details". She exercised Option 1 with regard to the "BBQ events" (Exhibit 1, page 2). Option 2 is to report the two events as "meetings hosted", as is required by the MEA. Rosanna De Francesca did not report the Tim Horton's events using either Options 1 or 2, which appears to be a contravention of the MEA.
9. The two events appear to have been either inadvertently missed or intentionally removed from the Financial Statements. Rosanna De Francesca reported the "BBQ events" under the "Other" category (Exhibit 1, page 2, line 2). In light of the above, it is improper that the Financial Statement was skipped/blank at line 1.
10. The two "meetings hosted" events were not low key, inexpensive, casual or informal events held at a campaign office; instead, they were community-wide events that were advertised with multiple flyers and customized invitations - distributed through paid distribution - and held at a commercial venue to draw maximum visibility and exposure.
11. A detailed review of the campaign activity and estimated campaign expenses for the two (2) "meetings hosted" events follows:
 - a. Issue 1 – Design/Print/Distribution By Admll of the "Meet & Greet" Event Flyer: Her campaign printed a full color flyer, and distributed (by Admll) within a sealed plastic bag to over 16,000 households in Ward 3 (Exhibit 3). The estimated cost of flyers is \$ 1,000.00 (Exhibit 17) and the actual distribution cost is \$967.00 (Exhibit 11), combining for a total campaign expense of \$1,967.00.
 - b. Issue 2 - Print and Distribut the "Meet & Greet" Event Flyer: The second event; total campaign expense of \$1,967.00.
 - c. Issues 1 and 2 - Print and Distribute by Volunteers "Meet & Greet" Event Flyer: Prior to and between events, the De Francesca campaign team distributed by hand, door-to-door, a loose leaf flyer; total campaign expense approximately \$1,000.00 (Exhibit 17).
 - d. Issues 1 and 2 - Custom Printed Envelopes/Invitations for New Flyer: Rosanna De Francesca produced custom individualized invitations on custom printed and separately labelled envelopes, with color letter insert with a new postcard flyer (Exhibit 4). The estimated campaign expense is in the range of \$1,800.00 to \$2,500.00, or greater.
 - e. New Postcard Flyer: Rosanna De Francesca's redesigned, reprinted and redistributed throughout Ward 3 retail stores the new flyer. Two stores located within Chancellor Square, in which Rosanna De Francesca had a campaign office, had visible stacks of the new flyer (i.e. Ital Pizza, who was a campaign donor, and a convenience store). The estimated campaign expense is \$1,000.00.
 - f. Issues 1 and 2 - Actual Campaign Expenses for the two events: In her flyers and invitations, Rosanna De Francesca advertised "[c]omplimentary coffee, timbits, donuts...". Based on documentary evidence, and assuming a conservative estimate of between 300 to 500 people in attendance at each event, the total campaign expenses for the two events is in the range of \$1,800.00 to \$3,000.00.

12. The total estimated campaign expenses resulting from the two (2) "meetings hosted" events is between \$9,700.00 to \$12,000.00. There is no evidence that these events have been reported.

Issue 3: Conflict/Contradiction with Audited Financial Statement Reported – "Surplus and Deficit"

Summary of alleged apparent contraventions:

1. The MEA and prescribed forms require candidates to include and carry forward any previous "surplus or deficit" from the 2006 election, to be reported and accounted for in the 2010 Municipal Election (Exhibit 1, page 1, plus page 3 of 8).
2. There is a conflict and contradiction with Rosanna De Francesca's 2006 and 2010 audited Financial Statements, in respect of the "deficit" as at December 31, 2006.
3. Rosanna De Francesca's 2006 Financial Statement reports a carry forward "deficit" of \$3,299.00 (Exhibit 2, pages 2 and 3); contrarily, her 2010 Financial Statement only declares a "deficit" of \$3.00, as at December 31, 2006 (Exhibit 1, page 1, plus 3 of 8). Therefore, this contradiction in the reported "deficit" to be carried forward is a contravention of the MEA, and gives rise to numerous violations of the MEA.
4. It is unclear how the auditor could have determined the current "surplus/deficit", as well as the "refund to the candidate".
5. The error has a direct impact on the "refund of contribution" to Mr. and Mrs. De Francesca (Exhibit 1, page 3), and any amount remaining to be "paid to the clerk". The understated "deficit" contributed to the improper calculation of a greater "surplus", and resulting in a greater "refund to the candidate and spouse".

Issue 4: Failure/Misrepresentation To Determine Campaign "Surplus/Deficit" resulting in an Over Reimbursement to Mr. and Mrs. De Francesca

Summary of alleged apparent contraventions:

1. Rosanna De Francesca's "Statement of Determination of Surplus or Deficit and Disposition of Surplus", reports a campaign surplus of \$15,368.20, adjusted by \$3.00 ("deficit") from the 2006 Municipal Election, resulting in a \$15,365.20 surplus (Exhibit 1, page 3).
2. The surplus of \$15,365.20 is incorrect, as it neglects to fully account for the 2006 "deficit", as evidenced above.
3. Rosanna De Francesca declared and received the full surplus of \$15,365.20. The "refund" paid by Mr. and Mrs. De Francesca to themselves, from campaign funds, appears to be overpaid by \$3,296.00 (\$3,299.00 less \$3.00).

4. Mr. and Mrs. De Francesca claimed and received the full surplus that had existed at the end of the 2010 Municipal Election, resulting in no monies remaining to be "paid to the municipal clerk", which appears to be contrary to the MEA (Exhibit 1, page 3), as the "surplus" was not misstated.

Issue 5: Personal Benefit and Failure/Misrepresentation to Report and Disclose Companies Owned/Operated by Mr. and Mrs. De Francesca

Summary of alleged apparent contraventions:

1. Rosanna De Francesca has stated in her literature that she "owns and operates" a business, with her husband, Carlo De Francesca. A Corporate Search of "Cleanigans Home Services Inc." and "Greenigans Lawn Care Inc." (Exhibits 12 and 13) has revealed that Mr. De Francesca is the owner and President of both of these corporations.
2. During the 2010 campaign period, Rosanna De Francesca had numerous brochure deliveries to Ward 3 at large, encompassing nearly 16,000 households. In particular, at least two (2) of these deliveries were conducted by "Media Mail Inc.", and included delivery not only of Mrs. De Francesca's campaign flyer, but also flyers associated with Cleanigans and Greenigans (Exhibit 5). The candidate's association with these companies was never disclosed, and on its face, this appears to be a deliberate attempt to gain a personal benefit (i.e. promotion of her private businesses) through the use of campaign funds. This may amount to serious contraventions of the MEA, as there appears to be evidence of intent and a deliberate attempt to gain a personal benefit.
3. Secondly, a Corporate Search of the delivery company, "Media Mail Inc.", reveals that that company too is owned by Mr. De Francesca (Exhibit 15). As such, this raises further questions as to the extent of the personal benefit gained above by Cleanigans and Greenigans, administered by Media Mail. Simply put – this adds insult to injury and goes beyond reasonable grounds to base a belief of numerous, and serious, contraventions of the MEA (including resulting impacts on campaign expense limitations).

Issue 6: Failure to Report or Claim Unpaid Campaign Expenses

Summary of alleged apparent contraventions:

1. The "Statement of Assets and Liabilities as at December 31, 2006" reports Rosanna De Francesca had 'inventory' at the end of the campaign of \$310.02. Rosanna De Francesca did bring this forward to the 2010 Financial Statement, (Exhibit 2, page 3) as 'inventory contributed to the candidate's campaign'. Rosanna De Francesca did address the 'asset'.
2. The "Statement of Assets and Liabilities as at December 31, 2006" also included Rosanna De Francesca having reported a \$3,341.00 'accounts payable'. While Rosanna De Francesca brought forward the 'asset', there is no evidence, she reported as a campaign expense, or settled the 'liability' as at December 31, 2006 with the 2010 Financial Statements.
3. Based on the audited Financial Statements, Rosanna De Francesca declared and acknowledged having an outstanding amount owing to a supplier for \$3,341.00, as at December 31, 2006 (Exhibit 2, page 3). Rosanna De Francesca did not submit a supplementary Financial Statement.

4. Further, she reported Mr. De Francesca had made a contribution of \$400 towards the "liability" as at December 31, 2006, see Exhibit 2, page 4 list of contributions. It is a statement of fact, Rosanna De Francesca had incurred the liability and reported it ; declared having monies owing; commence to pay the campaign expense; and it completely disappeared, from the Financial Statement or subsequent Financial Statement; and not reported as a campaign expense. If she reported this campaign expense, she would have been over her campaign limit by over \$3,000 for 2006, contrary to the MEA, and not qualified to be a candidate. There is no evidence, the liability was brought forth, while the asset was brought forth, both are required.
5. Candidates are required to include within 'excess (deficiency) of income over expenses from the Statement of Campaign Period and Expenses'. She failed to do so.
6. Rosanna De Francesca incurred and declared having an outstanding liability of \$3,341 as at December 31, 2006, and failed to include the liability within the Financial Statement, for legal bills having been incurred by her campaign manager, in which she had acknowledged were owing as at December 31, 2006.
7. Rosanna De Francesca, had a 'deficit' reported of \$3,299 and an amount owing \$3,341.00. The possibility existed she had a 'deficit', from the declared amount to be, \$6,640 and \$3,000 over her spending limit.
8. Mr. and Mrs. De Francesca reimbursement a 'refund' of the full surplus as at December 2010, per Exhibit 1, page 3. The 'refund' claimed by them fails to include \$3,341.
9. Rosanna De Francesca did not report or include within the 2006 Financial Statement this campaign expense, did not file a supplementary Financial Statement as provided by the MEA. As a result, the audited Financial Statements are inconsistent with the matters brought forward to the 2010 Financial Statement.
10. The De Francesca campaign by their own submission have acknowledged in part the liability, declared it was outstanding and then, it completely disappeared. There is a conflict between the two audited Financial Statements. The source of the conflict/contradiction are the audited Financial Statements and not based on speculation.

Issue 7: Failure to report 'barbeque expenses'

Summary of alleged apparent contraventions:

1. Rosanna De Francesca's 2010 Financial Statement reports "BBQ events" spending of \$3,015.07, which is "subject to limitation" (Exhibit 1, page 2).
2. The MEA, and prescribed form, require candidates to "include the value of contribution of goods and services" within the campaign expenses (Exhibit 1, page 2). She received a contribution of "goods and services" for \$350 (Exhibit 1, Schedule C). Rosanna De Francesca had out-of-pocket campaign expenses of \$2,665.07 for the 'BBQ events'.

3. The review and investigation found that the "BBQ events" were not low key, inexpensive, informal, or casual events. Instead, one such event alone, held on September 26, 2010, produced thousands of flyers distributed throughout Ward 3 both by both volunteers and paid distributions, with customized printed invitations. Further, the event was promoted by custom printed BBQ street signs, and featured "live band and entertainment", rented tents, picnic tables, and "free" barbeque (Exhibits 6 and 7).
4. The scale and magnitude of one of "BBQ event" alone exceeds the total campaign amount reported of \$2,665.07 for all of the "BBQ events". Furthermore, the estimated expense for one event alone is approximately four (4) times the amount reported for all the 'BBQ events'.
5. A thorough review of the expenses associated with only one (1) of the "BBQ events", held on September 26, 2010, follows:
 - a. Flyer and Door-to-Door Distribution by Media Mail Inc.: Full color flyer (Exhibit 5), produced and distributed to 16,000 households, \$2,200.00;
 - b. Flyer Distributed by De Francesca campaign team: \$1,000.00;
 - c. Custom printed invitations to the BBQ: Custom color envelopes, custom color inserts, BBQ flyer, individualized, computer printed and labelled (Exhibit 6), costing in the range of \$1,100.00 to \$1,490.00;
 - d. Advertising signs: Production of color chloroplast "BBQ" signs attached to street poles along Chancellor Drive and other arterial roads, approximately \$250.00;
 - e. Outdoor sound system: \$250.00;
 - f. "Live band and entertainment", per flyer: \$1,000.00 - \$1,500.00;
 - g. Rental of picnic tables and working tables for volunteer, family, guests/residents: \$200.00;
 - h. Rental of tents and barbeque equipment: \$250.00;
 - i. Decorations and supplies: including tee shirts for volunteer team, \$300.00; and
 - j. "Free" food and drink, and barbeque supplies for the estimated 300-500 guests: \$900.00-\$2,500.00.
6. The estimated campaign expenses for one (1) "BBQ event" ranges from \$8,075.00 and \$10,650.00, based on the above. Rosanna De Francesca has reported out-of-pocket BBQ expenses of only \$2,665.00 for all the "BBQ events".

Issue 8: Failure to report phone and internet expenses

Summary of alleged apparent contraventions:

1. Rosanna De Francesca's 2010 Financial Statement reports \$387.20 as "telephone and internet expenses" for the 10 month period from January 13, 2010 (date filed as a candidate) to December 31, 2010 (Exhibit 1, page 2).
2. Rosanna De Francesca declared upon filing and throughout her campaign, the same telephone, fax, and website references (Exhibit 9).
3. Rosanna De Francesca reported a contribution of "goods and services" to include the website for \$93.55 (Exhibit 1, Schedule C). The MEA requires candidates to include the "goods and services" contribution with the monetary campaign expenses to provide the total campaign expense (Exhibit 1, page 2). Rosanna De Francesca did so; as a result, Rosanna De Francesca reported out-of-pocket "telephone" campaign expenses of \$293.65.
4. Rosanna De Francesca purchased an additional telephone line and included it with her with her street signs and news releases (i.e. telephone number 416-678-1522) (Exhibit 20) .
5. She opened a "campaign headquarters" in a vacant commercial unit, at Chancellor Square. Bell Canada provided special services and rates for municipal election office services and installations. The Bell Canada standard installation rate alone nearly exceeds the total amount reported by Rosanna De Francesca, without any telephone or fax line considered.
6. The MEA and prescribed form, has been amended to require candidates to become more transparent with their campaign expenses and show separately "phone and internet expenses" (Exhibit 1 and 2, comparison of the 2006 and 2010 Financial Statements).
7. From January 13, 2010 (date of registration), to October 25, 2010 (date of Municipal Election), the De Francesca campaign declared the use of three (3) accounts (i.e. telephone account, fax account, 416-678-1486, 416-631-9936, website, and email/internet) (Exhibit 5 and 9).
8. Rosanna De Francesca opened a campaign headquarters at 270 Chancellor Drive, Unit 7; previously being a vacant office/commercial unit. It is reasonable to conclude that she needed and required installation and service to the campaign headquarters. As such, Bell Canada established a special rate and services for candidates in the Municipal Election, although it does not appear that Rosanna De Francesca reported these expenses. Based on the facts, it is unreasonable to believe that these expenses were not incurred.

Issue 9: Failure to report office expenses

Summary of alleged apparent contraventions:

1. Rosanna De Francesca reported office expenses of \$4,015.97 (Exhibit 1, page 2), and "contributions in goods and services", included within the office expense category, of \$698.41 for the office banner and utilities contributed by the landlord (Exhibit 1, Schedule C). The resulting total reported office expense for her campaign was \$3,317.56.
2. Rosanna De Francesca also purchased a large exterior illuminated sign for her campaign headquarters (Exhibit 18). The fair market value of the sign is \$1,500.00. Deducting this amount from her reported office expense total, the balance of available monies for all other office purposes is \$1,817.56.
3. Rosanna De Francesca rented a vacant commercial unit at 270 Chancellor Drive, Unit 7, several months prior to the Municipal Election, and for a few weeks following, to serve as a campaign headquarters. The fair market value for the rent expense and TMI (taxes, maintenance, and insurance) is \$3,950.00, based on a formula established by the Ministry of Municipal Affairs and Housing and using MLS Listings (Exhibit 16).
4. At issue is the fact that Rosanna De Francesca's total office expense does not have sufficient room to include rent expense, let alone the illuminated sign and the various other office expenses that are reasonably presumed to have been incurred.
5. At further issue is the reasonable expectation that additional office expenses normal and typical to a campaign have not been yet been considered and/or accounted for. Office expenses not yet considered include: interior office banner as displayed; office supplies; volunteer supplies, including car flags that were purchased; computer supplies, as she had printed labels for custom invitations; volunteer expenses; kitchen expense; food and drink; etc. It is unreasonable to assume that these expenses were not incurred (Exhibit 18).

Issue 10: Ineligible Corporate Donation; Contribution from a law firm

Summary of alleged apparent contraventions:

1. The updated and current Municipal Election 2010 Guide, produced by the Ministry of Municipal Affairs and Housing (the "Ontario Guide"), was provided by the City Clerk to all candidates upon registration.
2. The Ontario Guide, at page 24, clearly states that:

Not all businesses meet the legal definition of a 'corporation'. LLP's and organizations such as ratepayer groups may not be eligible to contribute to a candidate's campaign.
[Emphasis added.]

3. Rosanna De Francesca improperly accepted and reported a contribution from "De Francesca Law Office Professional Corporation", in the amount of \$75.00. This contribution does not meet the eligibility criteria for a "corporation", as provided by the Ontario Guide. As such, this appears to amount to a contravention of the MEA.

2.17

Issue 11: Failure to report Brochure Expenses

Summary of alleged apparent contraventions:

1. At issue is the fact that during the municipal election, Rosanna De Francesca held a community meeting as President on behalf of the East Woodbridge Ratepayers Association (the "EWRA"), in February, 2010, while a candidate in that year's Municipal Election) (registered on January 13, 2010). The subject of the meeting was a proposed high-rise development located within Ward 3, an issue that was very politically charged and identified by the media. Rosanna De Francesca produced and distributed a flyer throughout the community discussing this subject matter.
2. We submit this literature was premised on a political issue, unique to a specific community in which the candidate was running for office. Furthermore, this issue was highly contentious and formed part of Rosanna De Francesca's platform, in which she ran for office on. As such, it is our submission that this literature should properly be treated as a campaign expense.
3. The MEA defines a campaign expense as at section 67 as "... costs incurred for goods and services on or on behalf of a person wholly or partly for use in his or her election campaign are expenses" [Emphasis added].
4. At issue is the fact that her spouse/campaign manager, Mr. Carlo De Francesca, as Acting President of the EWRA, sent out flyers to each household in Ward 3 on an election related issue in a community that his wife was running for office (Exhibit 8). It is unreasonable to assume that this action and expense was incurred without any regard to the potential benefits - either "wholly or partly" - to his wife's campaign.
5. At further issue is that Mr. De Francesca enlisted the services of a private company, Media Mail Inc., to distribute a flyer that denounced the incumbent and promoted his spouse, as candidate for Ward 3. Mr. De Francesca's flyer from the EWRA included the same telephone number as that advertised for the campaign, directing voters to contact the campaign office. This set of facts further illuminates the intent of the activity as election motivated. The expense of this flyer should not have been incurred by the EWRA; firstly because this is not the proper function of a "ratepayers group", and secondly because this expense should properly have been reported as a campaign expense and subject to the limitation of same, under the MEA.

Issue 12: Misrepresentation/Failure to report campaign fundraising expenses

Summary of alleged apparent contraventions:

1. The MEA, and prescribed form (Schedule 2 'Fundraising Function', Section IV), requires all candidates to detail the expenses related to every "fundraising function". Rosanna De Francesca reported fundraising income of \$5,250.00 and fundraising expenses incurred on November 24, 2010, of \$1,136.55.
2. Further, Rosanna De Francesca reported - in her Financial Statement at "Statement of Campaign Period Income and Expenses" - "costs of fundraising function" of \$3323.07. Contrarily, "Schedule 2, Part IV" to the Financial Statement reported \$1,136.55 and not \$3,323.07 for the same matter.

3. No understanding or determination can be made with the conflict in reporting between the detailed Schedule and the Financial Statement. As such, this discrepancy appears to give rise to contraventions of the MEA.
4. Secondly, Rosanna De Francesca claimed at Schedule 3, "contributions in kind", Exhibit C, page 1, "fundraising supplies" from Vince De Luca, in the amount of \$118.65. However, Schedule 2 of reports the "fundraising supplies" to be \$67.85. Again, no understanding or determination can be made with the conflict in reporting between the detailed Schedule and the Financial Statement. As such, this gives rise to further contraventions of the MEA.
5. The source of the contradiction and conflict are with the audited, and declared, filed 2010 Financial Statements of Rosanna De Francesca.

Issue 13: Failure to report Sign Expenses

Summary of alleged apparent contraventions:

1. It was witnessed a few days prior to the election, several hundred new large arterial road signs, on large new stakes, screwed on with washers, were piled and ready for installation in the campaign headquarters of Rosanna De Francesca.
2. While Rosanna De Francesca did report expenses incurred for signs, the visible presence of hundreds of large new signs causes concern as the cost of such signs for a day or two does not seem reasonable, in light of the strict campaign expense limitations. This extraordinary observation prompted individuals to take photos to document this fact.
3. In the context of a long Municipal Election that spanned a large land area and relied heavily on candidate signage throughout, it is unreasonable to believe that any prudent candidate would incur such a large proportion of their expense limit for signs to only receive a benefit for a couple days. On the facts, it is not unreasonable to infer that the expense of these "eleventh hour" signs were not properly reported and subject to the campaign expense limitation.
4. Based on the foregoing, it appears that there are numerous contraventions to the MEA, stemming from this set of facts. An audit should be conducted to determine the extent of the apparent contraventions.

Issue 14: Failure to Report closing inventory of signs

Summary of alleged apparent contraventions:

1. The City's By-law requires all candidates to pick up their campaign road signs - that were left along arterial roads and collected by the City - within 72 hours of the election. Further, the City of Vaughan and York Region each had a yard to collect arterial road signs confiscated if they were illegally installed.
2. Each candidate had an option and were notified to pick up their election signs or they would be destroyed. Photos show that numerous signs belonging to Rosanna De Francesca existed at each of the two yards and were subsequently collected. The De Francesca campaign team, including her

immediate family, were observed picking up the signs and returning the signs after the Municipal Election to their campaign office. Further photos were taken to substantiate this claim.

3. Rosanna De Francesca, while having made a substantial purchase of chloroplast arterial road signs, have failed to report any signs in the campaign ending inventory, which is required by the MEA and prescribed form. This amounts to an apparent contravention of the MEA.
4. It is normal and typical practice for candidates to pick up their signs and re-use them for the following election. Candidates are required to complete Schedule 4, and list the "goods and materials" as inventory.
5. The De Francesca team were observed collecting the large arterial road signs, among other kinds, and returning them to the campaign office where they were piled and returned to Mr. De Francesca. There is no reporting of "goods and material" (i.e. used signs), while it is normal and typical to report them in order to be put toward the campaign spending in any subsequent election to provide fairness for all candidates.
6. Based on the foregoing, it is unreasonable on the facts to believe that these signs were not collected for the purpose of storing same for future use. As such, it appears that the failure to declare the goods as inventory amounts to a contravention.

Issue 15: Incurring Campaign Expenses Prior to Registration as a Candidate

Summary of alleged apparent contraventions:

1. Rosanna De Francesca registered with the Clerk as a candidate in the Municipal Election on January 13, 2010 (Exhibit 9).
2. Section 68 of the MEA defines a "campaign period" to commence upon the filing as a candidate, and only then are candidates able to incur campaign expenses.
3. Section 69(1)(d) of the MEA provides that "all payments for expenses, except for a nomination filing fee, are made from the campaign account". Therefore, the MEA contemplates that no campaign expense can be incurred before filing, nor can it be incurred outside of the campaign account.
4. On the date of registration, Rosanna De Francesca had personally disclosed and declared to the Clerk the fact of having incurred "payment for expenses", which appear to be contrary to the MEA sections set out above. Of these questionable expenses include: website; internet domain name; email; hosting; etc.
5. As these campaign related expenses had all been disclosed by Rosanna De Francesca on the date of filing, this signifies that they had all been incurred prior to the date of registration. As such, this amounts to a contravention of the MEA.

AUDITOR'S REPORT

MUNICIPAL ELECTIONS ACT, 1996 (SECTIONS 78, 82.1)

TO: ROSANNA DEFRANCESCA, candidate

I have audited the statement of assets and liabilities and income and expenses of ROSANNA DEFRANCESCA, candidate, for the campaign period from January 13, 2010 to December 31, 2010 relating to the election held on October 25, 2010. My audit was made in accordance with generally accepted auditing standards and accordingly included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances except as explained in the following paragraph.

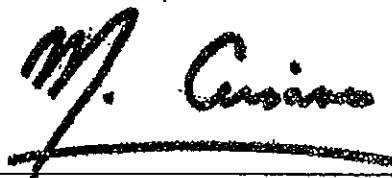

Due to the nature of the types of transactions inherent in an Election Campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, and receipts and disbursements.

Accordingly, my verification of these transactions was limited to ensuring that the financial statements reflect the amounts recorded in the accounting records of ROSANNA DEFRANCESCA, candidate, in accordance with the accounting procedures established by the Municipal Elections Act, 1996 and I was not able to determine whether any adjustments might be necessary to receipts and disbursements.

In my opinion, except for the effect of adjustments, if any, which I might have determined to be necessary had I been able to satisfy myself as to the completeness of the records as described in the preceding paragraph, these statements present fairly the information contained in the accounting records on which the statements are based in accordance with the accounting treatment prescribed by the Act.

The Act does not require me to report, nor was it practicable for me to determine that contributions reported included only those which may be properly retained in accordance with the provisions of the Act.

change in Vaughan!*

Dear Friends,

I am excited to announce my nomination for ward 3 Councillor. Many residents have told me they believe our city has been tainted with a myriad of scandalous issues and poor representation and they want a Councillor who can help restore the integrity, reputation of our great city of Vaughan.

I have received tremendous support and encouragement to seek nomination and I would be honoured to serve ward 3 constituents.

I need your help to spread the message for change. You can participate by donating \$25, \$50, \$100 or any amount to a maximum of \$750 per resident. I will appreciate whatever donation you can make.

The City of Vaughan has recently introduced a contributor rebate program like other municipalities in Ontario. The rebate program helps you support the candidates of your choice and the City of Vaughan will rebate 75% of your total donations for a maximum of \$150. (This program is only available to residents not corporations and you must contribute a minimum of \$50 to qualify).

In addition to monetary donations you can also help by canvassing door to door with me and my team, sign installations and by communicating the need for change with friends and neighbours.

Voter participation is the vital companion of change and it would be my privilege to participate in building a city where both my family and yours can live, work and play.

Sincerely,

Rosanna DeFrancesca

New Voice, New Vision

Vaughan Candidate Ward 3

Please note that cheques or money orders should be payable to "Rosanna DeFrancesca 2010 Campaign" and can be mailed to 87 Michelle Drive, Woodbridge, Ontario, L4L 9B9 (please include full contributor information) OR contact me at 416-678-1486 to arrange for pick-up. Donations less than \$25 may be made in cash. Receipts will be provided for all contributions. Thank you for your support.

Rosanna DeFrancesca 2010 Campaign Action Plan

Released June /2010

Our City has been tainted with a myriad of scandalous issues and poor representation. Plagued with law suits, questionable office spending, allegations of Municipal Elections Act and Municipal Conflict of Interest Act violations, a poor record of transparency, sky-rocketing salaries, questionable cheques to family members and residents unjustly banned from speaking in council, Vaughan residents are calling for change at City Hall. Vaughan has become a laughing stock and as a result our city slogan is commonly referred to as the "City above the Law".

Vaughan residents are disgusted, disengaged, and disenchanting and in many instances have completely lost hope that our city will ever regain a reputation that they can be proud of.

Ward 3 Councillor Bernie DiVona is responsible for a lot of the mistrust that residents feel towards our Council. Still under prosecution for alleged 2006 campaign violations, the charges against him include overspending, improper reporting and many instances of using his campaign contributions as his own personal piggy bank. He is a Councillor who has signed an affidavit in support of a litigant who is suing our city for \$150 million dollars. He is a Councillor who only a few years ago, cost our city dearly in legal and accounting costs when he submitted a \$65,000 invoice to Vaughan Hydro with false information for work that was never done. He later approved his invoice, signed a cheque and deposited the cheque to an account in his control. Thankfully, the money was returned.

To many citizens our Council and some staff appear to be governing and operating under a false sense of entitlement with privileges and benefits at the taxpayers expense. Many Council members have strayed very far from how public servants should behave.

It's time to bring transparency, integrity and good governance to City Hall....and it's time to restore the reputation of our great City of Vaughan.

I have over 20 years of business management experience; I am president and co-founder of the East Woodbridge Community Association and have been living in Ward 3 for 15 years. Working diligently since I last ran for council in 2006 I have listened to the concerns of property taxpayers, seniors, students and families and have made numerous deputations to council on issues such as high density developments, traffic concerns, city spending and the promised hospital.

I am pleased to unveil my **Action Plan** which will provide Ward 3 and all Vaughan constituents with my vision of guidance and direction with priority on the needs of residents and their families. My plan will provide:

Fiscal Responsibility: by eliminating wasteful and abusive spending and a review of our tendering and procurement policies.

Transparent Management: with better access to council and staff spending details and accountability of candidate campaign finances.

Tax Reform: minimizing taxes through responsible spending, budgeting and economic growth. Providing seniors with information on property tax grants and credits already available to them.

Sustainable Growth: with low to medium density projects, further review of our new official plan, protection and maintenance of our green-spaces.

Transit Needs & Traffic Reduction: with a Highway 7 traffic diversion program, transit and infrastructure investments.

Hospital & Health Care Needs: with a state of the art facility and fundraising to initiate and expedite construction.

Community Involvement: if elected, I will continue to meet with local residents who have concerns with their community and will bring these issues to council for discussion.

Community Safety: I will promote 24 hour accessibility to our by-law enforcement officers, traffic calming initiatives at key points and will advocate increased police patrol of secondary roads and parks.

If elected, I will work diligently with the public and council to implement my Action Plan. Complete details of my plan can be found on my website at www.rosannadefrancesca.ca.

Thank You,

Rosanna DeFrancesca

**EAST WOODBRIDGE
COMMUNITY ASSOCIATION**

PUBLIC NOTICE

The East Woodbridge Community Association is a ratepayer organization registered and in good standing with the City of Vaughan. Our many achievements include our public awareness meetings and negotiations of the Liberty redevelopment project (formerly Al Palladini auto dealership) at Hwy 7 and Weston Rd., which through our efforts, has been delayed, allowing us the time necessary to discuss plan modifications and a reduction in density with the developer. The EWCA represents a large area of Ward 3 consisting of hundreds of members. Rosanna DeFrancesca is the President and co-founder presently on a leave of absence to campaign for Ward 3 Councillor in the October 25, 2010 municipal election.

It has come to our attention in recent weeks that incumbent Ward 3 Councillor Bernie DiVona has distributed campaign material which falsely advertises himself as the Chair of the East Woodbridge Community Association.

On September 10, 2010, I sent Mr. DiVona a letter expressing my concern with his behavior and requesting that he cease any further dissemination of this false information. Moreover, I requested that he immediately prepare and circulate a correction letter. The City of Vaughan Clerk's office has also been notified of Mr. DiVona's false assertions.

To date, Mr. DiVona has not responded and continues to falsely claim affiliation to our association both in written and in verbal form to Ward 3 residents.

I would like to advise all Ward 3 residents that Mr. DiVona does not represent the EWCA and that any statements made by Mr. DiVona are his own and do not necessarily reflect the positions or opinions of the EWCA.

The EWCA is an independent ratepayer organization with no council affiliation or influence. Mr. DiVona has caused irreparable damage to our name and reputation by compromising our independence and nonpartisan position. As a result, the EWCA will vigorously pursue all remedies through civil and criminal litigation.

Sincerely,

Carlo DeFrancesca
